(f) No, Sir.

(g) Does not arise.

Production of Antibiotics

3140. DR. H. P. SHARMA: Will ihe Minister of INDUSTRY be pieased to state:

(a) whether it is a fact that his Ministry is monitoring the production of Antibiotics;

(lb) if so, what was the production of Chlormphenical. Tetracycline Oxytetra-cycline, Pyrolidine Methyl Tetracycline, Dimethyl Chlorotettacyclme, Ampicillin, Amoxicillin, Streptomyclin Sulphate during the Jast three years, year-wise, alongwith the names of producers of each drug as well as the import of each drug during the same period;

(c) whether it is a fact that his Minis-ty has increased the mark up on fot initiations based on these drugs;

(d) what was the mark up allowed on each drug and combination of drug-, under DPCO, 1979 and what is the mark up under DPCO, 1987; and

(e) what is the justification for increasing the mark ups?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY' (SHRI R. K. JAICHANDRA SINGH): (a) and tb) Yes, Sir. To the extent details are available, company-wise production of monitored bulk drugs, in the organised sector, for the last three yean, year-wise are given in the attached statement *{See* below). Details of imports are published in the Monthly Statistics for Foreign Trade in India Val. II, copies of which are available in Parliament Library.

(c) to (e) Yes, Sir. These drugs were allowed 55 per cent, 60 per cent and lOO per cent mark up under DPCO. 1979. They aie now entitled for 75 per cent and lOO per cent MAPE under DPCO, 1987. The revised mark ups are as per measures announced by Government for rationalisation, quality control and growth of Pharmaceuticals Industry in India in December. 1986.
